

Address: Sabha, Libya, Sokkra

Date of birth: 28/9/1987

Nationality: Libyan

Mobile Number:+218925143608

E-mail: moh.sebhau.edu.ly

Mohammed Alsharif Emhemmed

Education

SIRT UNIVERSITY

2006 – 2011

Bachelor of Petroleum Engineering

Result: (equivalent 84.07 %)

Final Year Thesis: Non Productive Time during drilling

INSTITUTE TECKNOLOGY BANDUNG, ITB

2012 – 2014

Master of petroleum engineering MSC

Results: GPA: 3.54

Final individual thesis: “Development of a Predictive Model for Enhanced Oil Recovery Water Alternating Gas Injection Using Proxy Model Derived from Artificial Neural Network”

Training

August 19 -Sept 6, 2013 Course of “PRODUCTION” at Institute Teknologi Bandung. Institute Francais du Petrole (IFP School) in collaboration with Petroleum engineering program of FTTM ITB and Total E@P Indonesia.

May 27- June 14, 2013 Course of “RESERVOIR SIMULATION” at Institute Teknologi Bandung (ITB). Institute Francais du Petrole (IFP School) in collaboration with Petroleum engineering program of FTTM ITB and Total E@P Indonesia.

8 march, 2013 “A Step Towards Energy Independence of Indonesia” at Institute Teknologi Bandung (ITB). Institute francais du Petrole (IFP School) in collaboration with Petroleum engineering program of FTTM ITB and Total E@P Indonesia.

8-9 sep 2015 participated at first oil and gas conference at Ajdabya / Libya and presented a paper under title " Development of a Predictive Model for Enhanced Oil Recovery Water Alternating Gas Injection Using Proxy Model Derived from Artificial Neural Network".

18-19 Dec 2015 Organizer for the first domestic oil and gas exhibition at Sebha University .

8-11 Nov 2016 participated at second oil and gas conference at Albrega / Libya and presented a paper under title " Numerical Simulation Study For Vertical Heterogenity Effect On Coning Phenomena".

12-15 Dec 2016 participated at the first Scientific Meeting for the development skills of researchers.

Position :

2/ 10/2015 to 1/2/2016 Head of study and examination department at petroleum department / faculty of technology and science engineering/ Sebha university .

2/2/2016 to 1/2/2017. Head of study and examination department at faculty of mining and energy engineering / Sebha university.

Skill

Developed ability to produce reports and presentations to a professional standard. Could easily use Excel, Word, PowerPoint & Access. Ability to use computer modelling group (CMG) simulator and additional simulations such as snap and Mbal.

Language skills

No	Language	Speaking	Reading	Writing
1	Arabic (mother tongue)	Excellent	Excellent	Excellent
2	English	Very good	Very good	Very good
3	Indonesian	Good	Good	Good

What do I do in my spare time?

Reading novels, playing sports
